## **DETAILED ACTION**

## Allowable Subject Matter

1. Claim 1 is allowed.

## Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a tape rule marking implement in which the said tape rule has a threaded hole in one side at the lower edge of the front end and an extendable measuring ruler blade disposed in the front end; the said support member is of one-piece plastic construction and has an axial hole formed horizontally through the upper edge of the posterior extremity, a marking implement holding recess formed transversely through the center, the said marking implement having a containment passage formed vertically through locating mount the center and, a plurality of horizontal slots formed along the circumferential center of the said locating mount, and the said support member has a plurality of bumper cushions attached to the lower edge of the anterior extremity in combination with the remaining limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The following patents disclose tape rule marking implements Smith (U. S. Patent No. 6,725,560), Cole, III (U. S. Patent No. 6,574,881), Jacobs (U. S. Patent No. 6,223,443), Jones et
